NEW VOTING SYSTEM:

This fall we will be using the newly acquired ES&S optical scan voting equipment. This equipment utilizes a paper ballot.

Voters make their selections by filling in the oval next to the candidate of their choice. Straight party voting is permitted and voters may simply fill in the oval next to the party of their choice. You may also "split" your ticket. Complete instructions are given at the top of each ballot. This fall's ballot is a two-sided ballot. Please be sure to vote both sides of the ballot.

Non-partisan races for Judges, Board of Education Members and Soil & Water Conservation Supervisors are not included in the straight party ticket selection.
